### CRITERION I – CURRICULAR ASPECTS

#### 1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Lala Rural College is affiliated to Assam University. The college has to follow pre-determined syllabus from the university. At the beginning of the academic session, the institution focuses on developing the academic calendar keeping in mind the resource potential and institutional goals within the framework provided by the university. The Principal and the Heads of the Departments meet before the commencement of classes to discuss on curricula implementation. The Departments discuss and allocate the syllabus among the faculty members. The faculty members provide the syllabus, the routine of the class to the students. It helps the students to get a fair idea about the course and ways to tackle their preferred subjects. The faculty members prepare their lesson plan, programme outcome based on their allotted topics. Continuous effort is made by the institution for quality delivery of the syllabus on time. During the session, each department evaluates the extent of student's progress through class tests, assignments and interactive sessions in the class. With the implementation of new CBCS course, the institution is ensuring the students are

not confused about the new course. For the benefit of the students, the Principal and the faculty members explained the course content and outcome thoroughly before the beginning of the sessions. The interaction was aimed to help the students to make informed choices of subjects.

Objectives of the Practice: The following are the objectives of the practices: i. To create awareness and encourage among the students to keep environment of the college clean and green. ii. To plant rare and medicinal plant in the campus. iii. To support and implement "Swachh Bharat Abhiyan" for healthy college campus. 3. The Context A clean environment is a basic necessity of human beings for health and efficient. The main of them practices impart knowledge, create awareness and developed attitude of concern and to nurture necessary skills to handle the environmental issues and challenges. The rural village regions and green landscaping of college are the necessary features for saving and sustain eco-friendly campus. To fulfill our objectives we should motivate staff and students of our college to take clean and green initiative like cleaning the campus, minimize use of plastics, planting trees increasing in garden areas switching of light, fans etc. 4. The Practice This best practice is significant step in involving the students to make the college clean, green and in term

creating awareness about the conservation of the environment. The campus practices include the sweeping and mopping all hard surface flooring. Cleaning the wall, windows and other surfaces of rooms and building throughout the campus. The college has also developed beautiful campus with lawns and botanical garden. Posters are displayed on the college for encouraging ideas of plastic free campus. LED Bulbs are installed in the college buildings to save electricity. 5. Evidence of Success: Through periodical tree plantation flora and fauna on the campus has enriched which has turned into eco-friendly campus. The campus is now having developed and well maintained trees like Devdaroo, Bokul and gardening area in our college. Moreover, our college area is clean and green as well as surface was windows and other surface of rooms and buildings throughout the campus. Through NSS activities students are made aware of environmental issues. 6. Problems Encountered and Resources Required Our college campus is open on its one side due to incomplete boundary wall and hence it is open for thoroughfare. This is case for allows stray animals to wonder in search of food as a result trees and gardens are damages. Moreover our college campus is divided into two parts by PWD roads. So there are always running different types of vehicles. So there are great problems such as noise, pollution etc. Moreover, green campus initiative is rather expensive practice. Its need an expert advice and investment of resources.
