4	2018-19	K. Nilesh Singha	IGNOU	M.A. in Political Science
5	2019-20	Mampi Sheel	Assam University, Silchar	M.A. in Political Science
6	2020-21	Nazir Ahmed Laskar	Assam University, Silchar	M.A. in Political Science
7	2020-21	Rimpi Nath	Assam University, Silchar	M.A. in Political Science
8	2020-21	Khairul Alom B/B	IGNOU	M.A. in Political Science

9	2021-22	Sakina Begum Mazumder	IGNOU	M.A. in Political Science
10	2021-22	Appan Ahmed	Assam University, Silchar	M.A. in Political Science
11	2022-23	Samsuddin Mozumder	IGNOU	M.A. in Political Science
12	2022-23	Mamnur Hussain	Assam University, Silchar	M.A. in Political Science

## **12. Infrastructure facility**

a) Library: The College has Central Library as well as Departmental Library also. A departmental library is a valuable resource within an academic institution, specifically tailored to cater to the needs of a particular department or field of study. This specialized library is a rich repository of knowledge, carefully curated to support the educational and research goals of students and faculty within that department.

b) Internet facilities for students and staffs: The College has Wi-Fi enable for students and staffs in both South and North block.

c) Class room with ITC facilities: Four number of class rooms are well equipped with projectors to enable students to make power point presentations.

## **13. Innovation Teaching Methods**

- Communicative classrooms and discussions
- Assignment paper presentations
- Power point presentations
- On-line classes

## **14. SWOC Analysis of the Department**

### **Strength**

- Good teachers and students relationship
- Students feedback and teacher evaluation
- Fairly comprehensive syllabus
- Innovative teaching skills
- Students opted Honours in every session

### **Weakness**

Presently, in the Department of Political Science, only two faculty members are working as a permanent since long time. So, it is too hard to complete syllabus both the Pass and Honours course in normal position. But the faculty members have been trying to complete for greater interest of the students. But from the month of April, 2022-23, one faculty member has been working as a part time.

### **Opportunities, challenges and future plans**

- To prepare students to comprehend latest technology and methods
  - To prepare students a good quality to achieve a national level
  - To prepare students to more attraction with advance and modern technology
-
