Remedial Coaching and taken up measures

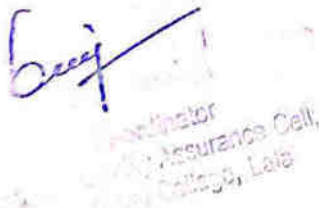

Department of History

The department of History arranges remedial coaching two days a week from 8.45 am to 9.30 am to support students who are slow learners. The remedial coaching is arranged just after the First Unit Test in which students secured less than 10 marks out of 20marks. Names of these students are entered in a separate register after the result analysis of the First Unit Test. Accordingly, students are informed through departmental notification.

Taken up Measures

The outcome of the result is analysed from the First Unit Test and again their improvements are further analysed in the next Unit Test. The teachers during the coaching discuss their difficulties in a particular paper, clarified their doubts, give emphasis on important topics discussed in the class and conduct weekly to get the students well versed in the important topics. Special attention is given by providing them study materials and mentally guide them to overcome their difficulties and score good marks in their examination.
