Resolution No. 1

The Principal /C apprised the members present about the implementation of C.B.C.S. from the current academic year. It requires compulsory attendance of minimum 75% for which 10 marks have been given. In addition 20% marks have been allotted for Unit Test. In a subject of 100 marks, 30% has been allotted for internal assessment which can play a vital role in securing better marks under CBCS. The Principal /C as well as other teaching faculty discussed at length the CBCS pattern and requested the guardian/parents present to give due emphasis on class performance through regular attendance.

Resolution No. 2

The Principal /C apprised the house the existence of NSS Cell in the College that undertakes various social services like adoption of a school, annual camps, blood donation camps, different awareness programmes and to clean an environment clean. Mr. Ganjam Ananda Barik, Programme Officer, N.S.S. has detailed out various works/activities undertaken by the NSS unit of the College and the house requests the Parents/guardians to enrol their wards to the N.S.S. Unit of the College.

Resolution No. 3

The Principal /C apprised the members of the house that the College has a Computer Centre to train the students at nominal fee and urged upon the guardian/parents to enrol their wards to the Computer Course.

Resolution No. 4

The Principal /C informed the house that like the previous year, this year ~~the~~ got at ~~the~~ ^{Receipt} sanctioned an amount of Rs 1 (one) lakh ^{Co-ordinators}

excursion with a guideline to visit Rajasthan. Since the previous year, the Teachers' Council in its meeting held on 16-11-2018 outlined the norms of participating in the proposed excursion to be selected only from amongst the students of final semester to which the parents/guardians agreed. Since such an excursion enriches a student from diverse fields, the teachers present requested the guardians to allow their wards to take part in such educational tour as it is being guided by two teachers, one lady and one gent.

Resolution No. 5

The Principal /C apprised the parents/guardians that that the as per Govt. circular, three guardians (parents) are included in the Govt. Body. The term of a parent is so long his/her ward is a student of the College. As a member of G.B., parents can contribute immensely to the cause of the College. With the expiry of the term of the present parents' members, new parents are to be selected through Parents' Meeting to which a similar meeting would be convened sometime in March/April 2019. The Principal /C requested the parents to be present in that meeting which will be notified in due course.

Resolution No. 6

The Principal /C apprised the members that Govt. of Assam, Higher Education has exempted students from paying necessary fees subject to the production of Income Certificate to the effect that the annual income of the parent of the concerned candidate is not over Rs 1 (One) lakh. As such almost half of the students of the College are covered under the scheme. But this year, the DHE, Assam directed the College to upload four certificates of each student viz (1) photograph of ~~student~~ ^{parent}, (2) Income Certificate (3) Last Examination Certificate (4) ^{Co-ordinator} ~~Parent~~ Certificate by

an undertaking. Such items were to be uploaded within October 2018. Since the College does not have proper infrastructure to upload such huge documents (nearly 2000) within a stipulated period, the College has to hire services from outside but cost nearly ₹ 50,000 (fifty thousand) only. At this, the Parents/guardians present voluntarily came forward to contribute an amount from those students whose fees had been waived. The Principal I/C informed that he would notify the rate of amount in due course.

Resolution No. 7

The Principal I/C informed the House that formation of Students' Union/Council has become very important in order to extend various amenities of the College amongst the students. As such the existing members of Students' Council have gone in drafting the College Constitution keeping in mind the recommendation of Lydenh Commission. In a General Meeting held on 27/09/2018, students unanimously/overwhelmingly agreed to the proposal of selecting Class Representatives and accordingly 12/10/2018 was fixed for selection of Class Representatives. But on that day, the matter could not be settled as some students locked the gate of the College. The guardians/parents were also in favour of peaceful formation of Students' Body. However with the coming of Panchayat Election on 09/12/2018, the drafting of employees for Poll related works as well as counting and the Old Semester Examinations commencing on and from 17/12/2018, the House unanimously resolved to defer the Students' Body formation related matter till the Examinations were over and requested the Principal I/C to ~~maintain~~ ^{maintain} a peaceful atmosphere in and around the College.

Resolution No. 8

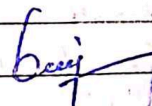

The Principal cited the issue of using mobile phones inside the campus and informed the steps taken to combat the issue. Since mobile phone use is a necessary object that cannot be denied, the house agreed to the proposal to issue notices and to confiscate mobile phone being used in the campus.

The meeting ended with a vote of Thanks from the Chair.

Proceedings of the meeting of the Review Committee held on 20.08.2019 at 3 P.M. in the Chamber of the Principal with Dr. Tannu Kumar Day Ahluwalia in chair.

Members present:

- 1. Tannu Kumar Day
- 2. Gautam Ch. Barmik
- 3. Lakshmi Bala
- 4. Kuljit Singh
- 5. Anju Nath

Resolution no.1:

This maiden meeting discussed the main issues that prompted the G.O. to form the Review Committee. The Principal Mr. apprised the members of the house that in the absence of any written form of documents, the work of the employees remain or being carried out orally that causes lots of inconvenience, mis-giving etc. The Principal Mr. cited a few examples like ringing of class bell, It is one month passing but the class attendance registers are yet not ready. Officially today has been the last day of submission of Registration Form to University, but no initiatives are being taken. The same is the picture of library. The employees do come and go as at their own will, sometimes the library closes before it is 2 P.M. During vacations (like Summer, Pujan and winter), the library remains closed.

The house feels that since works are not distributed properly among the employees, any meaningful as well as successful outcome is not possible. At this Mr. Anju Nath, a senior most member of the committee suggested that such a meeting needs to be arranged with all the non-teaching employees.

Resolution No. 1.

The Principal i/c apprised the members present about the need of such a periodical meeting in order to have an in-depth knowledge about the progress and problems of the students. Last two sessions regular meetings could not be arranged due to Covid-19 situation. With the introduction of CBCS Curricula, the entire system has undergone a rapid change and students need to adjust themselves with the changed pattern. Lots of emphasis has been laid on internal assessment (Intra courses) of marks.

The Principal i/c also highlighted various issues and services that the college has been providing for students' benefit and requested the parents/guardians to make their wards avail those benefits.

Library facility, Gym, Book Bank, Canteen, NSS, and Different Cells have been there where a student can reap benefit. After prolonged interaction, the following decisions are taken:

(a) Since only handful guardians/Parents attended, efforts be taken from the side of parents to bring more parents in the next meeting.

(b) Most students attend college after completing their earlier course in Bengali language and a request is made to teachers to make use of Bengali language in between so that students get benefitted.

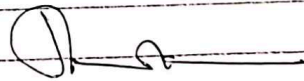

(c) It seems that guardians/Parents are happy and satisfied with the kind of teaching/learning the college has been continuing with. Almost all parents told that they could take care of their wards and monitor their progress.

(d) As CCTV is arranged in the whole campus to monitor the students, and mobile phone use is prohibited inside the campus, anyone found doing so will be dealt with as per rule.

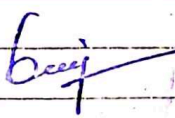

(e) For the benefit of students and to maintain a continuity in holding classes, some part-time tutors are to be appointed soon.

(f) With the vacancy arising in G.B. of the college in respect of Guardian Representative, the house selected Mr. Akmal Mansoor Lashari (9365554612) F/O Thousha buldara Lashari, TOR III Sem Commerce. His name was proposed by Rebatul Dars F/O Debika Dars of TOR III Sem Arts and it was seconded by Md. Aamir Uddin Barbhuiya F/O Amrullah Barbhuiya of TOR 5th Sem Arts.

The meeting ended with a vote of thanks from the chair.
