College education grounds students in the knowledge they need in their future careers and helps build the skills to succeed in life. Mentorship builds on this foundation and guides students in academics as well as in their choice of careers. The institution started its mentorship policy as an initiative of IQAC in the year 2019-20. For this purpose a meeting was called on 28th August, 2019 and the house discussed and unanimously resolved to adopt the mentorship policy and as such decided to request all the departments having students under DSC-I and Honours to distribute their mentees (students opting DSC-I or Honours in concerned subject) among the mentors (the full time faculties of the department). It was decided that the distribution will be made as per the convenience of the department concerned to facilitate overall development of the students accompanied with their academic progress. In order to implement the above, all head of the departments were requested to convene a departmental meeting in this regard and do the needful as early as possible. After which, the

concerned departments, following the above resolution, conducted departmental meetings as per their convenience and made list of mentors and mentees, which was again notified to the students through notice. Thus, the policy was implemented in the concerned departments of the institution

To plant rare and medicinal plant in the campus. iii. To support and implement "Swachh Bharat Abhiyan" for healthy college campus. 3. The Context A clean environment is a basic necessity of human beings for health and efficient. The main of them practices impart knowledge, create awareness and developed attitude of concern and to nurture necessary skills to handle the environmental issues and challenges. The rural village regions and green landscaping of college are the necessary features for saving and sustain eco-friendly campus. To fulfill our objectives we should motivate staff and students of our college to take clean and green initiative like cleaning the campus, minimize use of plastics, planting trees increasing in garden areas switching of light, fans etc. 4. The Practice This best practice is significant step in involving the students to make the college clean, green and in term creating awareness about the conservation of the environment. The campus practices include the sweeping and mopping all hard surface flooring. Cleaning the wall, windows and other surfaces of rooms and building throughout the campus. The college has also developed beautiful campus with lawns and botanical garden. Posters are displayed on the college for encouraging ideas of plastic free campus. LED Bulbs are installed in the college buildings to save electricity. 5. Evidence of Success: Through periodical tree plantation flora and fauna on the campus has enriched which has turned into eco-friendly campus. The campus is now having developed and well maintained trees like Devdaro, Bokul and gardening area in our college. Moreover, our college area is clean and green as well as surface was windows and other surface of rooms and buildings throughout the campus. Through NSS activities students are made aware of environmental issues. 6. Problems Encountered and Resources Required Our college campus is open on its one side due to incomplete boundary wall and

hence it is open for thoroughfare. This is case for allows stray animals to wonder in search of food as a result trees and gardens are damages. Moreover our college campus is divided into two parts by PWD roads. So there are always running different types of vehicles. So there are great problems such as noise, pollution etc. Moreover, green campus initiative is rather expensive practice. Its need an expert advice and investment of resources.
