To
The Principal,
Lala Rural College, Lala
Dist: Hailakandi (Assam) – 788163

Sub: Institutional Tie-up

Sir,

In inviting a reference to the subject stated above, I have the honour to state that S. K. Roy College, Katlicherra has long since been a neighbouring partner of your Institution in the field of education of the district of Hailakandi. Since its inception, the College has been working for the betterment of students from rural background. Over the passage of two-and-a-half decades, the College has upgraded its standard of education and infrastructure through the involvement of its IQAC cells, along with overall cooperation of its GB, Alumni Association, and supportive guardians, besides adequate guidance from your end from time to time. In order that we further benefit from working together, and achieve greater heights in imparting quality education and playing the vital role of nation building and contributing to the progress of the society, it would be worthwhile for both your Institution and ours to go for a collaborative process through faculty exchange, resource sharing, facility exchange, student exchange, student sharing, etc. An Institutional Tie-up, I think, would greatly enhance the overall development of the students of the two colleges.

Thanking you with regards, and expecting to have a vital collaborative venture with your Institution,

Yours sincerely

(D. K. Aich)
